

Beer 30!

MGS

Montana Geological Society

Topic:

Iceland: Geology, History, and the Art
of Motorcycle Maintenance

Presented by **David Fishbaugh**

Our own past president Dave Fishbaugh will treat us to a discussion based upon his recent trip to beautiful Iceland! He will discuss the geology and history of Iceland as well as Iceland today. Members and spouses are welcome as this talk should have broad appeal.

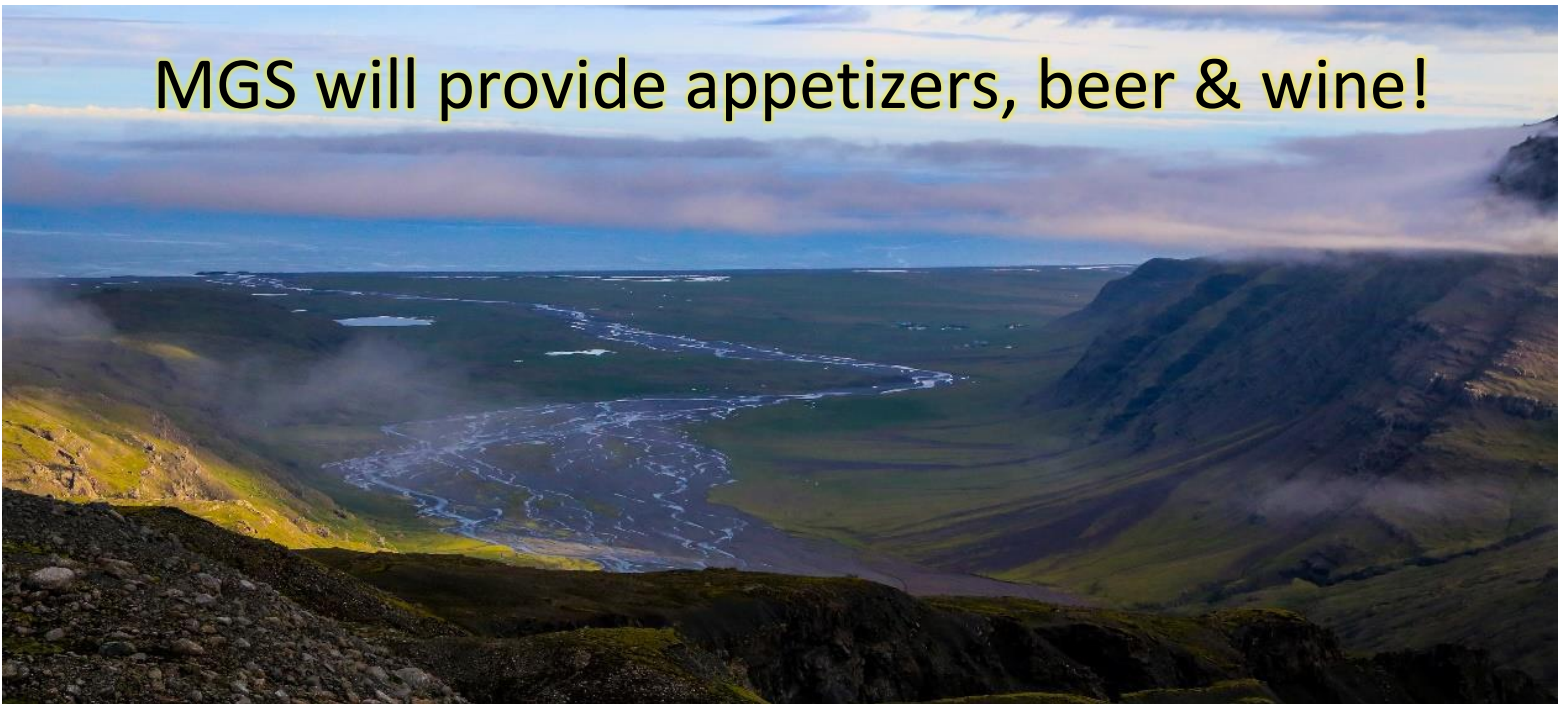

Date: Thursday, November 3rd

Time: 4-6pm

Place: Billings Petroleum Club (remodeled!)

MGS will provide appetizers, beer & wine!
